

TC Youth in the Spotlight

Proudly sponsored by
Equestrian Factory Outlet

TC Youth in the Spotlight has been developed to award one deserving youth for their outstanding contribution to the dressage community through volunteer work at all Toronto CADORA events, their own accomplishments and successes and overall exceptional attitude!

Every application will be reviewed by the TC Youth Committee and a youth will be chosen at a time that the committee sees fit.

However, if there is a stand out youth who has not applied and the committee feels they

deserve to be nominated for the TC Youth in the Spotlight award, then that youth will also be put into the running.

Each awarded youth will get their picture and bio up on the Toronto CADORA website, along with our TC Youth pages on Barnmice and Facebook.

Also, *Equestrian Factory Outlet* will provide each chosen youth a gift certificate for their store.
